G.E. Richards, Inc. has sold its client base to the two companies listed in this note.

There has recently been some confusion regarding who will honor existing contracts for service and supplies; and that other competitive copier suppliers are representing themselves as the purchasers of our customer base.

They are asking you to sign new contracts for Maintenance Agreements. The two companies below have agreed to assume ALL of the agreements related to your purchases from G.E. Richards, Inc – with no addition charge to your firm.

Keystone Digital Imaging, Incorporated: has purchased G.E. Richards client base in the following counties, Berks, Lancaster, Chester, Montgomery and Delaware.

KDI is an Authorized Savin Dealership, for over 17 years servicing the Tri-State area. Our organization uses only use Genuine Savin parts and supplies. Our current customer base ranges from the sole proprietorship to many Fortune 500 Companies. In addition to Savin Products, we are fully capable of providing any requirement needed for your office productivity, including full IT networking and support.

KDI will employ most, if not all, of the G.E. Richards staff and will be utilizing the same phone numbers and Office at 506 Walnut in Lancaster, PA.

Their staff can be reached at 800.537.4613 to assist with any of your concerns and questions. Also, the KDI website will provide generalized information about the company, products sold and services available at www.kdi-inc.com.

Word Processing Solutions has purchased the G.E. Richards client base in the following counties, Dauphin and Lebanon.
