Dear G.E. Richards Customers;

It is with sincere pleasure to announce that G.E. Richards has merged with Keystone Digital Imaging, an authorized Savin Dealership for more than fifteen years.

KDI is an Authorized Savin Dealership, presently servicing the Tri-State area, and only use Genuine Savin parts and supplies. Our current customer base ranges from a sole proprietorship to many Fortune 500 Companies. In addition to Savin Products, we are fully capable of providing any requirement needed for your Office Productivity, including full IT Networking and Support.

Although other Dealers may contact your firm KDI is the ONLY Authorized Savin Dealership who has stepped forward and will fully honor every contract of G.E. Richards origin without additional expense to your firm.

KDI will employ most, if not all, of the G.E. Richards staff and will be utilizing the same phone numbers and Office at 506 Walnut in Lancaster, PA.

My commitment to you, and your firm, is to quickly get past concerns resolved and keep your Office and Company up and running as you expect.

Sincerely;
