Re: Platinum Dealer Award

Dear Rick,

Congratulations on KDI Office Technology being selected as a recipient of the EverBank Commercial Finance Platinum Dealer Award for 2013.

This achievement is based on many factors such as overall lease volume, growth, profitability, conversion and portfolio performance. KDI has remarkable statistics in each category. In addition, we spoke with many different department leaders within EverBank and each gave KDI a very high rating for customer satisfaction, communication and compliance.

EverBank Commercial Finance is very fortunate to have a leasing partnership with KDI Office Technology. The work ethic and dedication of many employees at KDI helped make this award possible, especially the leasing staff. They work very well with EverBank to ensure that the lease process flows smoothly and efficiently for all parties involved.

Again, congratulations and best wishes for continued success.

Sincerely,
