Dear Rick,

On behalf of Ricoh Americas Corporation, East Region, I would like to recognize and thank you for KDI's commitment to the Savin production print product line.

Keystone Digital Imaging has been a loyal Savin brand authorized dealer since 1994, continuously embracing and supporting new technology. KDI has successfully completed all necessary commitments including technical and sales training authorizations required for KDI to become a leader in the production print marketplace.

As the industry leader in production print solutions, Ricoh looks forward to our continued partnership with Keystone Digital Imaging.

Sincerely,

Kevin Doyle  
Area Director
