Dear Rick Salcedoo,

Congratulations!

Your ProMasters evaluation shows that you've built an organization that demonstrates an exemplary commitment to customer service and satisfaction.

In recognition of that fact, I'm pleased to inform you that your dealership has achieved the Benchmark and Benchmark-Plus point levels required to receive Toshiba's coveted **2007 ProMasters Service Award**. Only the most knowledgeable and skilled Toshiba dealers attain this status.

We are mindful of the solid work and dedicated commitment each of your personnel exhibited to reach this level of service expertise. Please share this letter of recognition with them. Their efforts are highly appreciated.

ProMasters Service Awards will be presented to all winning and attending dealers at Toshiba's National Dealer Meeting being held October 7 - 10, 2007, at the La Costa Resort in Carlsbad, California.

Sincerely

George Colborn
Vice President – Service
