### One unified security solution

“Verkada develops, builds, owns, and supports all of their hardware and software. This allows us to move towards a centralized system where all our physical security devices live on one platform and speak to each other effortlessly.”

**Patrick Allen,**  
Director of Network Services  
Dairy Farmers of America

### Scale with ease

“For a city of our scale, agility is critical. With Verkada, we are able to automate emergency response, provide access to first responders immediately, and do so from one simple platform.”

**Michael Sherwood,**  
Chief Innovation Officer  
City of Las Vegas

### Seamless access from anywhere

“The mobile app has the same capabilities as the web portal, there are so many features that help save time. I can search for vehicles and people, share live camera feeds with first responders and send archived footage from any device.”

**Dennis Haynie,**  
Executive Director of Technology  
Andrews Independent School District
