Subject: Congratulations! You are a 2026 Ricoh ProVision Dealer Partner!
Date: December 8, 2025

Dear Steve,

We are absolutely thrilled to celebrate your incredible achievement—your service team has officially earned the prestigious title of Ricoh ProVision Dealer Partner for 2026! This recognition is a testament to your dedication, expertise, and commitment to delivering exceptional service.

To honor this milestone, we will be sending custom acrylic trophies directly to your dealership's main location—because your success deserves to shine!

We have also included the official ProVision 2026 Dealer Partner logo for your use. Display it proudly—it is a symbol of excellence that you and your team have worked hard to achieve.

Also, achieving ProVision for 2026 you will receive an added RIPES sign on for your Dealership at no charge. Your Strategic Service Consultant (SSC) will be reaching out to you soon for you to provide a name to be added for your Dealership that will start January of 2026 and run through the calendar year.

On behalf of the entire Dealer Services Team, thank you for your partnership and congratulations on this outstanding accomplishment. If you have any questions, please reach out to your Region Service Director or Strategic Support Consultant.

Here is to an amazing 2026 filled with continued success and celebration!
